

WATERBURY

Big Turnout for Patriotic Celebration and Flag Raising.

A platform appropriately decorated with the Stars and Stripes, and a crowd which spoke of something unusual, were tokens Sunday of the patriotism which was displayed when a large silk flag was flung to the breeze. This took the place of the old flag, which had become torn and tattered and was at last severed from the pole from which it hung. The Stowe band gave a concert, the Barre pipers rendered two selections and the Waterbury Citizens' band also played. Woodmen and other organizations attended in a body. Dr. D. D. Grout was chairman, local speakers being Atty. C. B. Adams, H. C. Whitehill, who spoke on the thrift stamp drive, Rev. F. Devoey and Rev. V. L. Smith. Rev. F. Stanton of Lowell and Lieut. Thompson of St. Albans also spoke, while the principal address was given by Judge Powers of Morrisville, whose earnest patriotic speech was enthusiastically received.

PAINS IN THE BACK

MEAN RHEUMATISM

This Taunton Man Found Relief Through Reading an Article in a Newspaper.

Many pains in the back are due to undernourished muscles. Kidney trouble seldom causes such pains. Rheumatism and lumbago are much more likely to be the cause of the suffering and the way to build up the strength of the muscles of the back that are under almost constant strain is shown by the experience here related.

Mr. Arthur Patenaude, of No. 7 Powers avenue, Taunton, Mass., suffered from rheumatism for a long time as a result of exposure. He says: "I had dull aching pains in the side and whenever I tried to get up for any length of time and get up quickly the pain would be intense. It would catch me like a stitch in the back. I could not get a good night's rest. My stomach was affected, food did not digest, my appetite was poor and I seemed to have no life nor ambition for work."

Read about Dr. Williams' Pink Pills in the Taunton Gazette and gave them a trial. After I had taken one box I felt relief. The pain had gone and I could eat better. The pills certainly did me a world of good and I have recommended them to my friends and shall continue to do so."

In no disease does the blood show more altering and thinning than in rheumatism. No permanent relief is possible until the blood is restored and the rheumatic poisons are cast out.

Dr. Williams' Pink Pills are invaluable in diseases of the blood and nerves. They have corrected anemia, after-effects of the grip and fever, general debility and sick headaches, dizziness, nervous prostration and have accomplished wonderful results even in chronic cases.

A valuable booklet, "Diseases of the Blood," containing much information about rheumatism and other disorders of the blood will be sent free upon request. Dr. Williams' Pink Pills are sold by all druggists or will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y.—Adv.

MARSHFIELD

J. Burton Pike has a hen which is deserving of special mention and, in a way, merits as much celebrity as one of history's renowned, as Old Grimes' hen. A few weeks ago, the hen in question stole a nest under the barn, where she was secluded from all the other fowls. Here she laid 24 eggs and in due time came off with a brood of 22 fine chickens. Here is a good example of what one hen can do in the way of increased endeavor or in the speeding up policy of which we hear so much in these times of gigantic achievement. Who can say that even a hen may not respond to her country's call and be stirred to heroic effort by the spirit of patriotism?

Claims Dandruff Will Cause Baldness

If you have dandruff you must get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't. Dandruff is a skin disease, a brittle, gray, scaly hair that finally dies and falls out. New hair will not grow—then you are bald and nothing can help you.

The only sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, sure and safely, and at little expense, there is nothing so effective as Parisian Sage, which you can get from E. A. Brown & Co., 210 West 42nd St., New York. It is guaranteed to banish dandruff, stop itching scalp and falling hair, and promote a new growth, or the cool, small as it is, will be reformed.

Parisian Sage is a scientific preparation that supplies a hair tonic—an extensive liquid rather sticky or greasy, easy to apply, and delicately perfumed.

If you want beautiful, soft, thick lustrous hair, and lots of it, get Parisian Sage. Don't delay—begin to-night—a little attention now insures abundant hair for years to come.—Adv.
